*Moon Dance*

**These events will be presented over Zoom. Please email [rsvp@nehlibrary.org](mailto:rsvp@nehlibrary.org) or call 276-3333 to sign up .**

### FIND A GEM IN THE ARCHIVES

Despite the pandemic, we have been busy in the archives preserving and cataloging interesting items! We've migrated over 75 publications containing local and historical references from our Special Collection Books, bringing the total number of records in the archives to over 6,100. We have also recently added several architectural drawings and maps. (Photo: Ober's Market circa 1890, Northeast Harbor)

**NEHL IN THE TIME OF CORONA** - We are happy to provide our visitors and patrons with free WIFI, which extends far and wide around the library, and comfortable furniture to do their work outdoors in a safe environment. The furniture was purchased thanks to a generous Sumner Scholarship Education Foundation grant. Additionally, we offer library materials through contact-free curb side pick up and a takeout window in addition to our walk-in service.

**SCHOLARSHIP** - We are proud to announce that Louise Chaplin has been named this years Ruth Jordan Scholar. Louise is a recent graduate of MDI High School and will be attending the University of Maine in September. The qualifications for this award are being a superior student and demonstrating a deep interest and commitment to community service. Louise is part of many environmental groups. She was leader of the Coastal Youth Climate Coalition to name one. She also has organized beach cleanups, worked with the Bar Harbor Congregational Church to distribute food boxes, and volunteered at the MDI Marathon. Congratulations Louise and best of luck in the future!

NORTHEAST HARBOR LIBRARY  
PO BOX 279, 1 JOY ROAD  
NORTHEAST HARBOR, ME 04662
